World AIDS Day

This World AIDS Day, we remember those who lost, join in solidarity with people living with HIV today, and transform the future for everyone by ending HIV transmissions. This year, let us highlight the importance of HIV testing. Testing is key to ending HIV transmissions. The sooner people know their status, the quicker they can get on to treatment. Effective treatment helps people to live long, healthy lives with HIV and means they can't pass the virus on.

Protect yourself. Get tested regularly. Know your status. Learn what's next.

Human Rights Day

Human Rights Day is celebrated on December 10 every year across the world. The day marks the date when the United Nations General Assembly adopted the Universal Declaration of Human Rights (UDHR) in 1948. The UDHR is a breakthrough document that proclaims the inalienable rights to which everyone is entitled as a human being - regardless of race, colour, religion, sex, language, political or another opinion, national or social origin, property, birth or another status.

In 2021, Human Rights Day is focusing on "how rights are the beginning of peace within societies and a way to create a fairer society for future generations".

Walt Disney Day

Walt Disney Day is held on the first Monday of December in remembrance and honour of Walt Disney, whose birthday is December 5. Disney created cartoon characters, pioneered animated cartoon films, founded The Walt Disney Company. Walt Disney Day has been designed in order to celebrate a man who has brought love, friendship, and happiness to children all around the world: Walt Disney. From Lion King to Frozen; no matter when you were born, it is likely that there is a Disney film that reminds of your childhood.

Animation can explain whatever the mind of man can conceive. This facility makes it the most versatile and explicit means of communication yet devised for quick mass appreciation.

Christmas Eve

Christmas Eve takes place on December 24 and is probably one of the best nights of the year! Christmas has the power to reunite families and friends, warm up our hearts, and remind us that we have so many things to be thankful for. Christmas Eve is one of the favourite moments of the holiday season, the night you can relax after lots of prep and hopefully checking lots of fun activities off your Christmas bucket list slowly, spend some quality time with your friends and family, and take part in some of our favourite Christmas Eve traditions.

Christmas is also known as the season of giving. Focusing on this last year we organized a small event for senior citizens. We played games, distributed warm clothes, had snacks. We grow and feel happy the moment we give and make others happy. Let us carry this feeling every year.

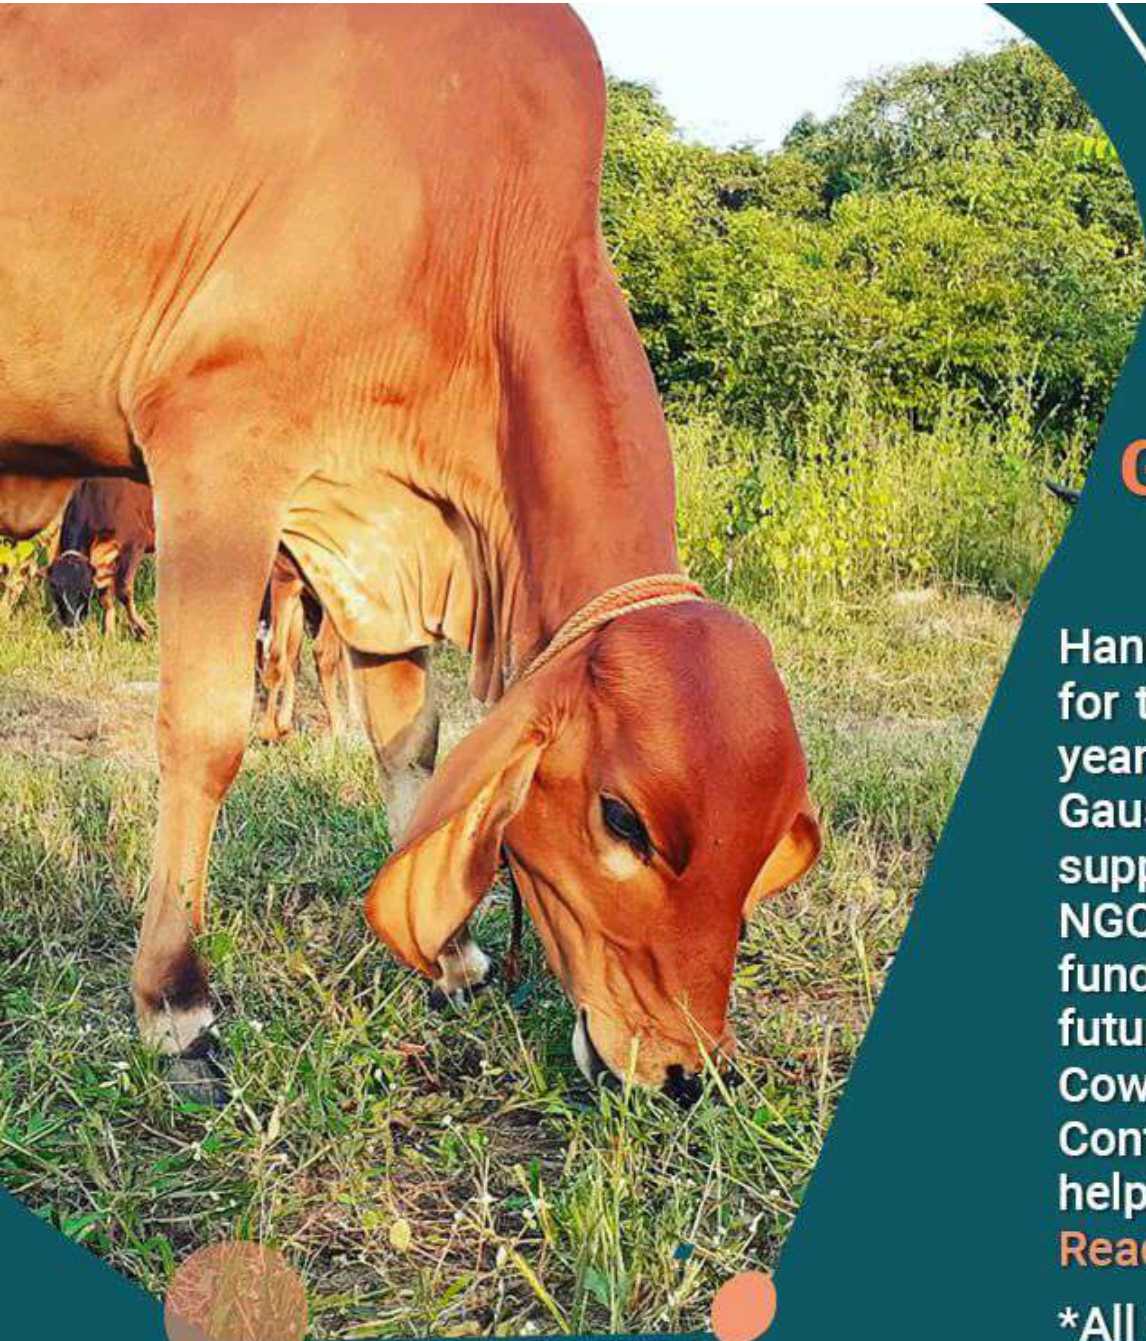

Christmas Day

Christmas is celebrated to remember the birth of Jesus Christ, who Christians believe is the Son of God.

The name 'Christmas' comes from the Mass of Christ (or Jesus). A Mass service (which is sometimes called Communion or Eucharist) is where Christians remember that Jesus died for us and then came back to life. The 'Christ-Mass' service was the only one that was allowed to take place after sunset (and before sunrise the next day), so people had it at Midnight! So we get the name Christ-Mass, shortened to Christmas. Christmas is now celebrated by people around the world, whether they are Christians or not. It's a time when family and friends come together and remember the good things they have.

Help Hanuman Ashram Gaushala build home for our Gau Mata

Hanuman Ashram Seva Trust has been working for the cause of welfare of the tribals for several years and during the Covid pandemic has started a Gaushala which houses more than 25 cows to support the tribals through Dairy farming. The NGO is currently running the operations from its funds but would not be able to do so in the coming future. Also, the NGO is planning to Keep Street Cows & help them with Medicinal care & feed. Your Contribution to the upkeep of this Gaushala would help these cows and provide a better life.

Helped Nirvan in continuing his studies and moving forward in life

Nirvan Aglen is a child belonging to a family who is staying with his parents in a chawl in Kandivali West and studying in 3rd Standard at Our Lady of Remedy High School. His father was an industrial worker who lost his job during the pandemic and his mother is a housewife. His father had to pay the school fees in four quarterly instalments of Rs 6,000/- each totalling Rs 24,000/-. Besides the school fees, there is an additional amount of Rs 2,800/- to be paid for the Online learning classes. Nirvan's father was unable to organize the funds of Rs 26,800/- and it would have been turned out to be a situation where Nirvan would have had to drop out of school and leave his studies in the middle of the semester. With your help, Nirvan was able to continue his education and study better for his future. Thank you for contributing to his future.
